## We love to welcome new friends!

Across the United Kingdom holiday resorts, camping sites, hotels and holiday rental companies, not to mention AirBnB, are all reporting higher demand than availability. Google has also reported a 678% increase in Glamping searches (2021). MAC Cabins have a variety of options when it comes to additional holiday accommodation stock to choose from.

Within the MAC ranges you will find a myriad of differing cabin and pod styles and size choices. You will be sure to find the perfect addition to your current accommodation offering. Additionally, we provide a fully bespoke design and build service, should you have your own style in mind. Our Cabins and Pods can be nestled in the woodlands and grounds of holiday resorts, hotels, golf courses and any other suitable location, have scenic views and need the ultimate guest accommodation?

Check out our MAC leisure accommodation collection.

### Firstly, a little about us

MAC Cabins is a fast-growing Timber building company based slap-bang in the heart of the South West of England, holiday central. Surrounded by National Parks and Beaches, or seaside resort locations in; Cornwall, Devon, Dorset and Somerset, offering the widest selection

of timber cabins, pods and timber buildings in the region. We continue to expand our vast range of designs, allowing you to select the perfect combination of style, size and price. We are confident you will find perfect cabins to meet your clientele demands.

Providing one of the widest choices of timber buildings within the market sector. Our cabins, pods and timber building ranges are extensive in design, layout and configuration and offer many different styles of accommodation. To compliment our leisure collection, we also provide; Saunas, Hot Tubs, shower and toilet buildings and many other timber buildings to suit your business and extra activities. We supply the buildings and you provide the best holiday experience for your guests. We know that your repeat business is reliant on your guest experience, it's therefore our aim that your guests will come back time after time, with the knowledge that your holiday location provides the best place to relax, unwind and recharge.

MAC Cabins actively supports sustainable tourism. All our timber products are sustainably and ethically produced and manufactured. Glamping does not adversely affect the local property market. Leisure sites like these across the entire South West region are good for the tourism industry and local economy.

Working to provide the Tourism/ Leisure industry throughout the West Country with the right accommodation for the tourist market.
