MAC CABINS LIMITED

Working to provide the Tourism and Leisure industry throughout the West Country with the right accommodation for the tourism market.

MAC CABINS LIMITED is a fast-growing Timber Building company, with over 30 years' experience in the construction and leisure industries. Proud to be the providers of one of the largest selections of; Timber Buildings, Log Cabins, Leisure and Holiday Cabins and Glamping Pods, in the heart of the South West of England.

To compliment the extensive ranges of timber buildings, MAC Cabins also offers a vast variety of other Timber Frame & Modular Frame options, providing one of the widest selections of timber building options, within the market- sector.

For all timber frame styles, MAC Cabins works with self-build and custom-build projects, where the initial design has already been completed with architects. We help to guide small to medium-sized developers, on sites of one to multiple plots, to identify the best way to convert vision into reality.

MAC Cabins continues to expand its vast portfolio of designs and build options, allowing you to select the perfect combination of style, size and price, confident you will find the perfect selection to meet your growing demands.

With every building, you will receive a structure that has a higher standard specification than most other comparable products.
